EXPERIENCE

Oasis Infobyte - Web development and Designing   Aug 2023 - currently
- Here I have given some task which I have to complete during the respective time period.
- Here I learn about the new tasks in this domain.

PERSONAL PROJECTS

CALCULATOR
- This Calculator website is developed by using HTML,CSS,Javascript.It's a very simple Calculator.
- First I made the basic structure of the Calculator by using HTML and then apply CSS for designing and after all this I added the Javascript code into the HTML file and then run the code. Go and Check the site.

ACHIEVEMENTS

GEEKSFORGEEKS
- 100+ Problem Solved
- 400+ Coding Score

Techgyan Technologies
- Web development with HTML and CSS.

UPFLAIRS PVT. LTD.
- DevOps with Cloud Computing.
